

## P'kolino Little Reader Instructions

Thank you for choosing the P'kolino Little Reader!

Designed for children age 2 and up. This sturdy toddler tag-a-long chair is optimized for little readers. Comfy foam, supple fabric, arm rests and book pockets create the perfect environment for relaxing with a good book or just a little down-time. The wide-base and strong angular lines make this chair not only attractive but also supremely stable (so it does not topple over like most foam chairs). It is feathery light so with the aid of the handle your little one can tote this chair to their favorite quiet spot. Available in several fabulous color combinations, this durable chair is made with the highest quality materials. Constructed of premium high-density foam and upholstered in cozy, stain-resistant faux suede.

### Keep your Little Reader clean with these simple spot cleaning instructions.

**DO NOT MACHINE WASH.**

**DO NOT REMOVE COVER.**

Many customers think that the reason there is a zipper in the back of the Little Reader is so that the cover can be removed for washing, not so! The zipper is there to make it easy to insert the foam into the fabric cover, not to remove it. The zipper can be handy for access to the underside of the fabric, if cleaning agents are being applied to the surface.

**Do not use a bleach solution.**

**Do not submerge or allow to lie in standing water.**

**Do not use a harsh abrasive or detergents.**

### Blot Dry

When **spills** occur: using a gentle touch, carefully blot up any spills with a towel. Do not rub frantically, as this will drive the stain further into the weave of the fabric, making it even more difficult to remove. If the spilled substance is a thick product, i.e. mud, let it dry before prying off and brushing away any residue.

### Spot Clean

Most stains can be spot-cleaned with just a touch of mild soap and water. Most spills will bead on the surface and can be absorbed with a paper towel before leaving a residual stain. If a stain does occur, it can be removed with a sponge soaked in some warm soapy water, then blotted with a dry towel.

## WARNING:

**CHOKING HAZARD:** Immediately remove from child if fabric is torn or tearing, as this may present a choking, entanglement, and/or entrapment hazard. Keep foam away from children when it is without the cover. Keep cover away from children when it is without foam.

## Maintenance

At P'kolino we design our furniture to be low maintenance, however misuse, irregular use, or improper cleaning can result in product malfunction. Regularly check the fabric. If fabric is dirty or spotted follow the methods listed on reverse side to clean.

## Age Requirements
